Dear Consignor,

Since we started in 1999 your support has been tremendous.

As of January 20, 2008, we need to change our drop off policy on what we will accept.

NO LONGER ACCEPTING

**** Any USED and/or OPEN PACKAGE Toy ****

(PRIMARILY DUE TO THE EXTENSIVE RECALLS THROUGHOUT THE TOY INDUSTRY)

**** ANY BOOKS ****

Please know that this decision was thought out by us to benefit all our consignors so we can continue GiGi's Kids with the quality and services that you have come to expect. Please know that all drop offs will be checked when you drop and will be accepted at GiGi's Kids discretion. Below is a listing of what we are still accepting on consignment. You can also visit our website for further details, updates and listings.
